- Fundraising contributes to the school’s ability to provide a diverse range of quality programs.

**Aims:**
- To raise sufficient funds to achieve the educational goals of the school as designated by School Council in conjunction with staff and parents.

**Implementation:**
- In accordance with Section 2.3.5 Education and Training reform Act 2006 a school council may raise funds for school purposes by conducting local efforts or amusements.
- All fundraising events must have appropriate internal control mechanisms, and must have a specific purpose so that contributors understand the purpose of the activity.
- Fundraising proposals will ensure that foods with allergens known to cause anaphylactic reactions in some people are eliminated from fundraising activities.
- School Council should have a Parents and Friends Association sub-committee with a core responsibility of conducting fundraising activities such as the fete, and a Finance sub-committee which will have responsibilities including providing advice and recommendations to school council in relation to voluntary contributions, sponsorships and donations.
- School Council will seek voluntary contributions from parents in accordance with DEECD requirements and expectations.
- School Council has the potential to hire school facilities to outside bodies when the facilities are not required for school purposes and also have the responsibility to establish the terms and conditions of use.
- Any fundraising directly related to the leasing of promotional space on fences, buildings or land is subject to approval from the Manager, Property Unit prior to entering into any agreements.
- Appropriate sponsorships will be sought from industry and commerce so long as they benefit the school, have educational value, and do not involve associations with undesirable products, services or companies such as alcohol, gambling or tobacco products.
- Any fundraising involving raffles or bingo must be undertaken with the permission and under the instructions of the Raffles & Bingo Permits Board.
- All fundraising activities will be identified as such, and will only involve voluntary participation.
- All profits (and losses) associated with fundraising activities will be reported to the school community.
- All transactions related to fundraising activities will be reported to School Council.
